STRATEGIC PLAN 2022 -2024

4.0 STRATEGIES BY MALAYSIA ACADEMIC LIBRARIES

UNIVERSITI MALAYA

- 5 Focus Areas:
 - **Enrich students learning** experience
 - **Advance research** for the public good
 - Grow as a **learning organisation & enhance equitable environment for education, engagement and inspiration**
 - **Enhance strategic partnership and community engagement**
- KPIs:
 - **Strategic partnership** with faculties and **lifelong learners'** programs
 - Hosting of **digital literacies** & leverage technologies to enhance collections' openness
 - Advocate **free and openly shared educational resources**
 - Increase emphasis on **patron driven acquisitions**
 - Build **open science community** & expand library research support and collaborations
 - **capacity building** & implement concept of **human library** and develop **UM GLAM**
 - targeted services, **seminars, exhibitions and training** for alumni

UNIVERSITI KEBANGSAAN MALAYSIA

- **Empowering knowledgeable human resources, appreciating pure values and high performance**
- Create and strengthen **a conducive teaching, learning and research ecosystem**
- **Increase and strengthen relevant and up-to-date** information resources
- **Empower flexible and responsive service**
- **Consolidate and expand user education programs** to produce competitive graduates
- Active participation of librarians in **leadership programs, conferences and seminars, workshops and training courses**
- **Lead project team** to upgrade current university research publications repository (eRep 2.0)
- Implement **quality and innovation culture programs** **Organize programs** that can improve integrity and national identity among library staff
- **Development and improvement of the Leadership Excellence Program Module** for Chief Librarians and Deputy Chief Librarians of Higher Education Institutions (ExceLib Kohort 2) led by the Chief Librarian of UKM

UNIVERSITI SAINS MALAYSIA

- Reskilling the competencies of librarian and library staff: **Professional certificate and related competencies**
- Become as **Advisor / Referred Librarian/ Expertise**, Information Literacy and Library Research, Reference Management, Research Data Management, Open Access Publication, Bibliometric & Clinical Librarianship
- **Continuous Professional Development Talks and Programs** related to specific knowledge and skills - Librarianship / emerging technologies / research data management / data analytic / research support, leadership, quality management / verification university publication data / open publication
- **Partnership and smart collaboration** with various department or subject experts
- Engage with academics in **developing and embedded a comprehensive course content (MOOC / MICRO-CREDENTIAL)** for information literacy with specific subjects offered by schools

UNIVERSITI PUTRA MALAYSIA

- **KPIs:**
 - Percentage of records indexed in the Discovery@Lib
 - Percentage of UPM users accessing information online database-
 - Numbers of digital content indexed in agricultural repository
- **Action Plans:**
 - **Improving Discovery@Lib Portal ; Library Information Search Service**
 - **Consolidating digital content** in an inhouse database
 - Empowering information and research skills program through **Flexible Library Instruction Program (MOOC)**
 - **Collaborating** with faculties, Graduate Schools, colleges, related PTJs, Student Representative Council and Faculty Student Association
 - **Expanding cooperation with the community** inside and outside UPM in the field of agriculture
- **Participation in the competency-based talent management program** set by the university to ensure that talent is managed based on competencies set in the process of recruitment, development, performance evaluation, promotion and succession plan - (Behavioural-Event Self Assessment: BESA)
- **Establishment of strategic collaboration and development programs by implementing transfer knowledge programs** through University Social Responsibility (USR) to selected schools and communities

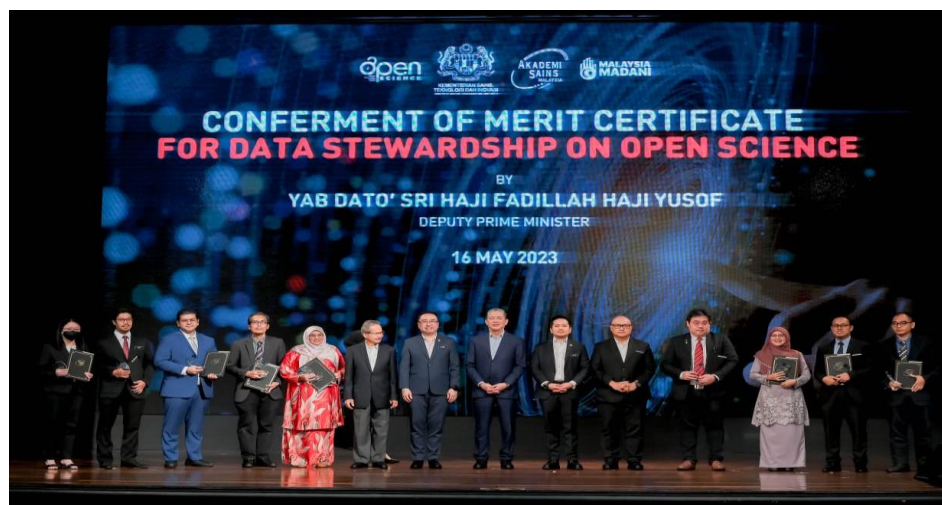

UNIVERSITI UTARA MALAYSIA

- **Enhancing staff competencies**, which involves developing highly motivated staff who can adapt to changes, possess **up-to-date ICT technology skills, efficiently perform tasks, and have a variety of skills**
- **Providing various systems or applications** related to workflow processes to support library information services
- **Expanding collaborations with the local community**, both within and outside of UUM, through SDG (Sustainable Development Goals) and USR (University Social Responsibility) programs
- **Empowering information literacy** programs
- **Development and enhancement of the Leadership Excellence Program Module for Chief Librarians and Deputy Chief Librarians** of Higher Education Institutions (ExceLib Kohort 2)
- **Implementing a comprehensive training program** to enhance the skills and knowledge of librarians and enabling them to effectively serve as **Data Stewards**
- **Encouraging active participation of librarians** in training sessions dedicated to **Open Educational Resources (OER)**
- **Organizing library refreshment activities** for librarians to enhance their information and literacy skills

USM Certified Data Steward - Conferment of Merit Certificate (Exemplary Data Award)

Academy of Sciences Malaysia

5 May 2023

Dear En Mohd Kamal Mohd Napiah,

APPRECIATION FOR PARTICIPATION IN DATA STEWARDSHIP FOR OPEN SCIENCE TRAINING OF TRAINERS PROGRAMME SERIES (2022)

The Academy of Sciences Malaysia and Malaysia Open Science Alliance would like to thank you for your participation in the Data Stewardship for Open Science Training of Trainers (2022) Programme Series (2022), which was conducted from 21 September 2022 - 4 January 2023.

Congratulations for completing 170 hours (5 credits) of the programme which consist of Course 1 on Open Science Skills (7 Modules) and Course 2 on Data Stewardship (2 modules). For your information, you will be awarded with a certificate, in a ceremony which date will be confirmed later. This certification will be awarded as a proof of your substantial personal and professional achievement that demonstrates the comprehensive knowledge and skills that you have gained about Open Science and Data Stewardship.

With the completion of the programme and passing a series of challenging assessments, we hope that you will now be able to have broad awareness of the need, complexity, and challenges associated with open science, and data stewardship, and demonstrate fundamental, theoretical and technical understanding of the principles of data stewardship in open science. We treasure your contribution and time with us, and we hope that you will take away most of the essential topics that you have been taught or exposed to and use them for the advantage of your organization.

Once again, the Academy would like to thank you for your active participation during the training. As this is the first batch of trainees, we accept any kind of feedback from participants to enhance our training programme in future to make it even more useful and exciting. For any information or suggestion in relation to the training and MCOE, please e-mail us at lab@aragon.mcoe@akademiains.gov.my. To stay in touch, MCOE will keep all the relevant data stewards updated regarding any MCOE activities or news, via our mailing list.

Thank you and stay safe!

Yours sincerely,

RUZAINI YUSOFF
Chief Executive Officer

UPM & UM Certified Data Steward - CIMP Advisory Board

5 May 2021

Dear Mrs Roziana Shamsuri,

APPRECIATION FOR PARTICIPATION IN DATA STEWARDSHIP FOR OPEN SCIENCE TRAINING OF TRAINERS PROGRAMME SERIES I/2020

The Academy of Sciences Malaysia and Malaysia Open Science Alliance would like to thank you for your participation in the Data Stewardship for Open Science Training of Trainers (ToT) Programme Series I/2020, which was conducted from 21 September 2020 – 3 January 2021.

Congratulations for completing 120 hours (3-credit) of the programme which consist of Course 1 on Open Science Skills (7 Modules) and Course 2 on Data Stewardship (5 modules). For your information, you will be awarded with a certificate, in a ceremony which date will be confirmed later. This certification will be awarded as a proof of your substantial personal and professional achievement that demonstrates the comprehensive knowledge and skills that you have gained about Open Science and Data Stewardship.

With the completion of the programme and passing a series of challenging assessments, we hope that you will now be able to have broad awareness of the need, complexity, and challenges associated with open science, and data stewardship; and demonstrate fundamental, theoretical and technical understanding of the principles of data stewardship in open science. We treasure your contribution and time with us, and we hope that you will take away most of the essential points that you have been taught or exposed to and use them for the advantage of your organization.

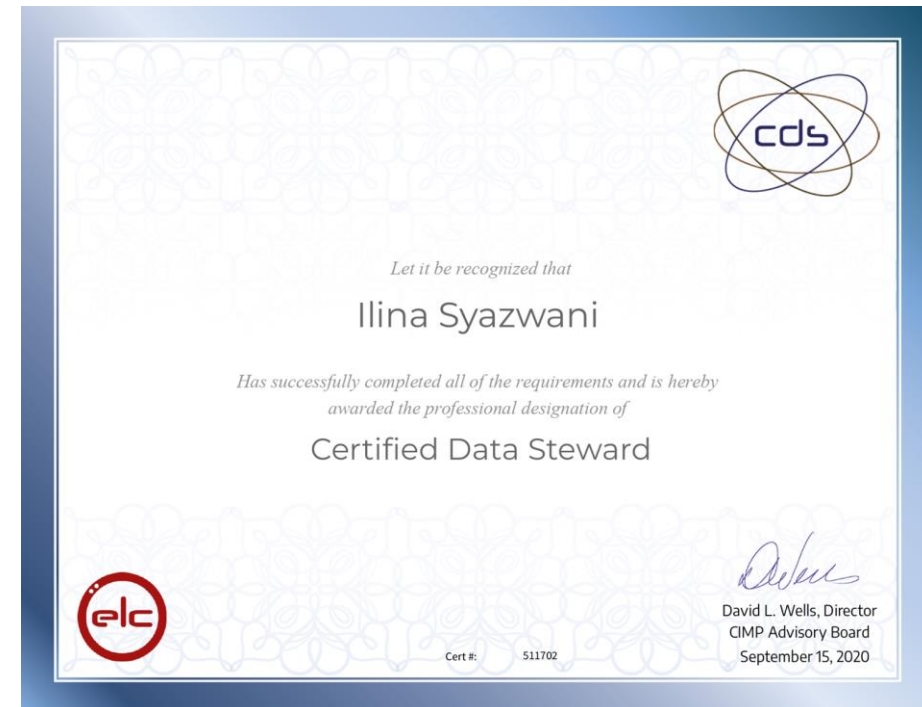

Once again, the Academy would like to thank you for your active participation during the training. As this is the first batch of trainees, we accept any kind of feedback from participants to enhance our training programme in future to make it even more useful and exciting. For any information or suggestion in relation to the training and MOSP, please e-mail us at kakitangan_mosp@akademiasains.gov.my. To stay in touch, MOSP will keep all the trained data stewards updated regarding any MOSP activities or news, via our mailing list.

Thank you and stay safe!

BENGKEL PENULISAN LAPORAN SDG

13 & 14 Jun 2023
8:30 pagi - 4:30 petang
Bilik Latihan Zainal Azman Rajudin, Perpustakaan Tun Seri Lanang

PENYAJI TAMU
Prof. Madya Dr. Marlia Mohd Haniffah
Dr. Nur Mahira Farrel

LATAR BELAKANG
Bengkel ini bertujuan untuk meningkatkan pengetahuan mengenai penulisan laporan SDG dan Malaysia dapat mengaitkan laporan SDG yang baik.

OBJEKTIF BENGKEL
1. Membantu pemahaman berkaitan latar belakang Matriks Pembangunan Berkelanjutan (SDG).
2. Membantu penulisan berkaitan 17 Elemen SDG kepada peserta.
3. Membantu pemahaman kepada peserta berkaitan format dan bentuk penulisan laporan SDG.
4. Membantu peserta yang bersedia untuk membuat persembahan Elemen SDG dengan jitu.
5. Di akhir program peserta berupaya membuat persembahan Elemen SDG yang berkesan.

JUMLAH PESERTA
Secara rasmi 22 orang peserta dan pengajar menghadiri bengkel ini. Rata-rata bengkel ini berlangsung dengan lancar dan berkesan. Semua peserta yang hadir sangat berminat dan berminat untuk mengikuti bengkel ini.

MAKLUM BALAS PESERTA
"Saya berpuas hati kerana dapat mengetahui lebih lanjut mengenai SDG dan bagaimana untuk menulis laporan SDG yang baik."
"Bengkel ini sangat bermanfaat kerana dapat meningkatkan pengetahuan mengenai SDG dan bagaimana untuk menulis laporan SDG yang baik."
"Bengkel ini sangat bermanfaat kerana dapat meningkatkan pengetahuan mengenai SDG dan bagaimana untuk menulis laporan SDG yang baik."

Library Guides (UKM)

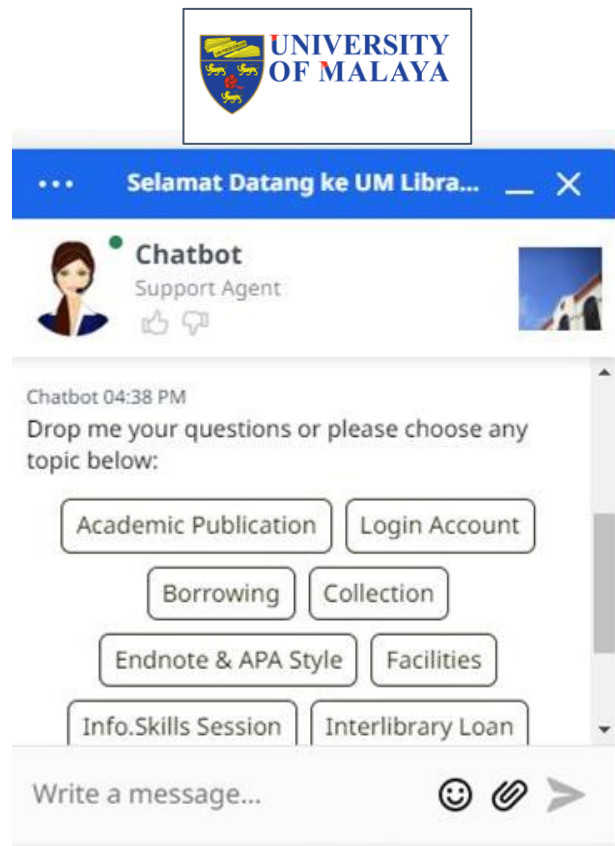

The image displays a collage of digital and physical library resources. At the top center is the logo of Universiti Kebangsaan Malaysia (UKM), The National University of Malaysia. Below it is the main page of the 'LIBRARY GUIDES' website, which includes navigation tabs for 'ALL GUIDES', 'BY GROUP', 'BY SUBJECT', 'BY TYPE', and 'BY OWNER'. A search bar is visible with the text 'Enter Search Words'. The page lists 'Showing 19 Guides' with examples like 'Applied Physics' and 'Biological Sciences and Biotechnology'. To the right, a 'Quick Links' sidebar lists services like 'GEMILANG', 'eResources@psti', and 'Journal Citation Reports'. Below the main website screenshot is a specific guide titled 'Dentistry: Publications by Faculty of Dentistry', which features a search bar and a list of 'Latest Article Publications by Faculty of Dentistry' with titles and DOIs. On the left side of the collage are three photographs: two showing students in a classroom setting and one showing a library staff member presenting at a podium.

PRAKARSA PEMUSAKAAN MANUSKRIP UKM

ABSTRAK
Manuskrip adalah bentuk tunggal dimana terdapat pada sebuah kepingan. Pemeliharaan dan pemeliharaan merupakan salah satu aspek utama yang perlu diberi perhatian bagi memelihara warisan kepustakaan dalam usaha menjadikannya sebagai sumber rujukan kepada generasi akan datang. Bahan manuskrip sebenarnya boleh diabaikan secara universal melalui pengalihan dalam bentuknya dan dipromosikan di peringkat kepustakaan dan antarabangsa. Justeru perkhidmatan boleh dilakukan seperti pemeliharaan, transliterasi, pemeliharaan, pemeliharaan dan perkhidmatan maklumat. Projek ini bertepatan dengan elemen SDG 4 Pendidikan Berkualiti, SDG 11 Bandar-Bandar dan Komuniti Mampan, dan SDG 17 Udaahama untuk Mencapai Matlamat.

INISIATIF & AKTIVITI

- 01. Memelihara dan pemeliharaan
- 02. Menerangkan kepada masyarakat umum
- 03. Menerangkan kepada masyarakat umum
- 04. Menerangkan kepada masyarakat umum
- 05. Menerangkan kepada masyarakat umum

ELEMEN SDG

- SDG 4: PENDIDIKAN BERKUALITI
- SDG 11: BANDAR-BANDAR DAN KOMUNITI MAMPAN
- SDG 17: USAHA SAMA UNTUK MENCAPAI MATLAMAT

IMPAK JANGKA PANJANG

- 01. Bertindak sebagai model kepada perpustakaan akademik di Persekitaran UKM
- 02. Boleh menarik minat masyarakat umum terhadap manuskrip
- 03. Meningkatkan pengetahuan dan kesedaran masyarakat umum terhadap manuskrip
- 04. Meningkatkan pengetahuan dan kesedaran masyarakat umum terhadap manuskrip
- 05. Meningkatkan pengetahuan dan kesedaran masyarakat umum terhadap manuskrip

CONCLUSIONS

- Libraries and their leaders know **the challenges in higher education are always changing.**
- The fast rate of new technology development makes it **almost impossible to keep up,** including the current surge of **artificial intelligence (AI) software and tools.**
- Hence, it is **essential to redesign librarian competency** by focusing on **upskilling and reskilling.**
- This should be **a top priority** to ensure that librarians are **prepared for the future** and their **profession remains relevant and resilient.**
