BRIEF PROFILE OF AUNILO MEMBER-LIBRARIES

# Learning and Teaching Methods

## ❖ Student-centered learning

Teaching facilitates active participation and independent inquiry

## ❖ Ignatian pedagogy

Emphasizes learning, grounded in experience, repetition for depth, the provision of many examples and exercises to ensure mastery, and constant guidance and personal care (*cura personalis*)

## ❖ Formation and social development

Develop and integrate personal, academic, socio-cultural, and spiritual lives through the co-curriculum, or the Integrated Ateneo Formation Program (InAF)

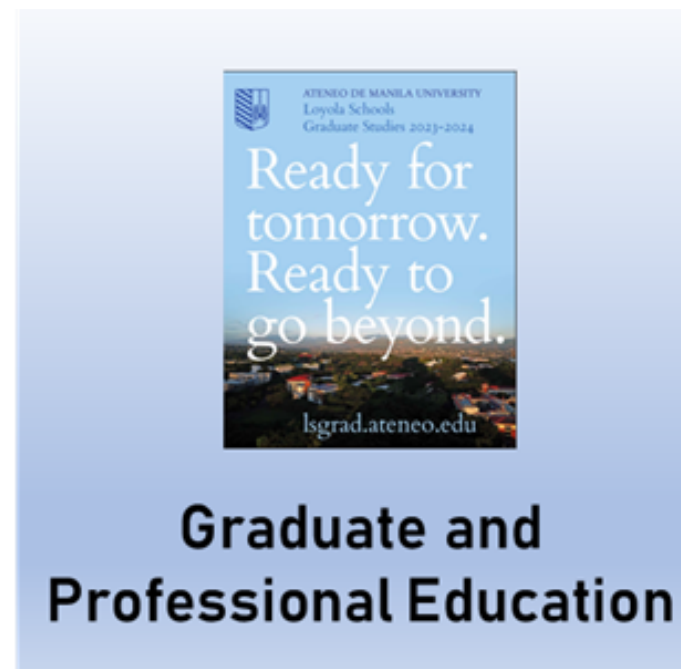

## ❖ Adaptive Design for Learning (ADL)

"ADL is rooted in the emerging philosophy of online Jesuit education that we have come to call AteneoBlueCloud, which also stands for the virtual campus that we are building for our online community of learners and educators."– <https://gbseald.online/adl-2020/>

# Changes in Learning Systems and Library Roles

## ❖ Digital transformation in services and skills

- Establish new services to accommodate online needs, i.e., digitization service, online database trainings
- Adopting new roles, such as being Liaison Librarians
- Learning to use new tools and applications, i.e., Google Apps, Canva

## ❖ Strong adherence to Copyright and Data Privacy

- Upholding responsible use of information

## ❖ HyFlex mode of teaching and learning

- Use of Learning Management System (LMS), i.e., Canvas
- Access to library resources online
- In-person and online reference service

## ❖ High regard for research

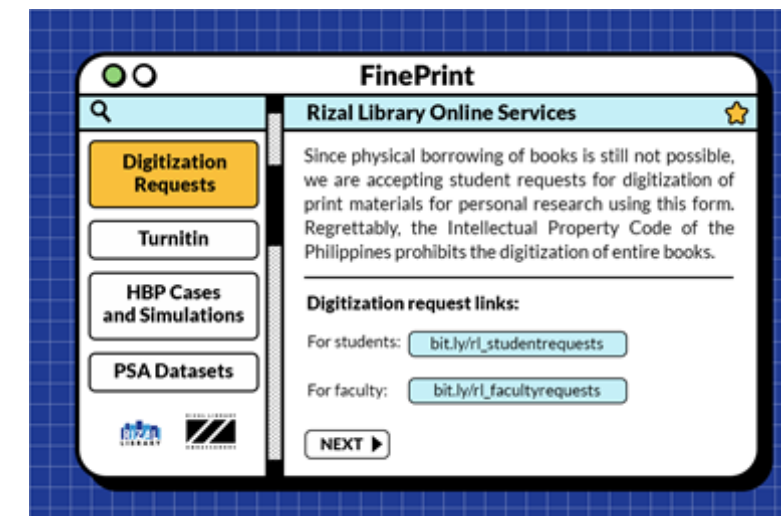

- Increased acquisition of timely and scholarly resources

## ❖ Increased collaboration and networking

- Strengthen relations with stakeholders through exhibitions, cultural projects

## ❖ Support on Sustainable Development Goals

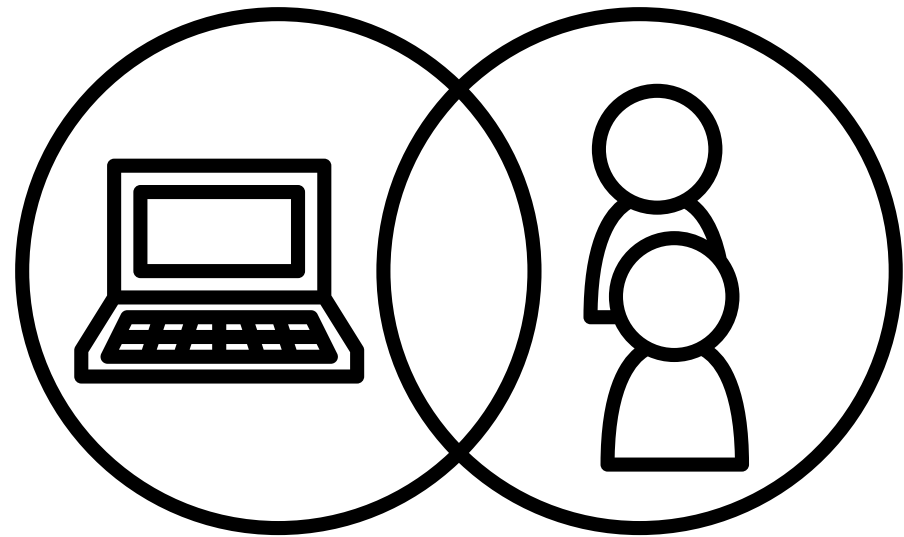

- *Laudato Si*: Working to achieve Sustainable Development Goals (SDG), as assessed through THE Impact Rankings
- Support for gender equality and women empowerment

## CHANGES IN LIBRARY ROLES AT ADMU

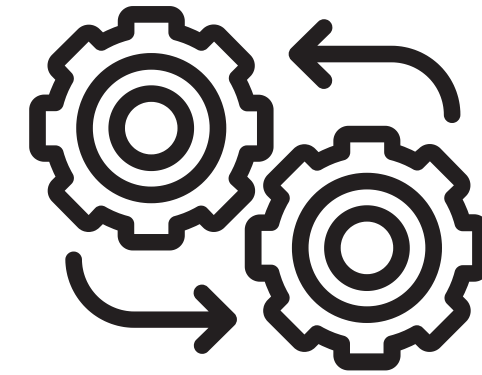

## Learning Systems

- ❖ HyFlex is effective.
- ❖ Leverage technology tools utilization (LMS, online collaboration tools, etc).
- ❖ In-person consultations retained.

## Library Roles

- ❖ Library as social spaces.
- ❖ Library as partner in research and publishing.
- ❖ Library supporting all types of learning on campus, physical and virtual.
- ❖ Librarians adapting to the changes in providing teaching, learning, and research support.

EMPOWERING LIBRARIANS THROUGH RESEARCH AND DEVELOPMENT

# Challenges and Opportunities

# Challenges

- ❖ The library as a physical space
- ❖ IT infrastructure for digitization and access
- ❖ Digitization initiatives vs copyright limitations
- ❖ Controlled digital lending
- ❖ Instructional adaptations/  
Teaching strategies
- ❖ Changing nature of work and delivery of service

# Opportunities

- ❖ The library as a physical AND virtual space
- ❖ Re-evaluate services and its flexibility for online consumption
- ❖ Educating the university community regarding intellectual property rights
- ❖ Continuing professional development and upskilling to foster innovation strategies for the library
- ❖ More flexibility in providing library services onsite and online
